Results

Development of a new innovative joint model of training specialists in the sphere of medicine/education/philology, orientation of graduates for professional development ensuring effective social protection and employment.

- We do actively take part in EUFORIA, Project No. 561695-EPP-1-2015-1-UK-EPPKA2-CBHE-JP. This project aims to establish and develop links between universities and enterprises in order to enhance teaching and learning, upgrade the curricula in line with the needs of enterprises and improve the financial sustainability of HEIs in Kosovo. More information you will find in: http://euforia-kosovo.com/?page_id=791
- Another project that we are participant and soon will start is DEVELOPING SOCIAL REHABILITATION THROUGH EDUCATION /SOCRE. The aim of this project is to enhance education in social rehabilitation and management through lifelong learning (LLL), in line with the Bologna process and in collaboration with education, rehabilitation practice and ministries. : Social rehabilitation aims at improvement of social capability and the possibility to cope with everyday life. Societal changes and situations of elderly, chronically ill and disabled people in Kosovo and Russia require continuous training of rehabilitation staff.
