

Dear Mr./Mrs. ,

We would like to take this opportunity to introduce our institution. We are the university of Palestine (UP), a private accredited institution in Gaza, Palestine. Our university was established in 2005 to serve the Palestinian people on high academic and technical basics. The University of Palestine aims at enhancing the collaboration among partner institutions to contribute to the intercultural dialogue.

Your university is well known for excellence in partnership programs. We intend to submit more than one project proposal under the framework of Erasmus+ program and we are anxious to collaborate with your renowned university. It is in this respect that we would like to extend our interest in forming a partnership with your university for promoting different actions and fields of interest. We believe that our services can well compliment yours in further promotion of better education, knowledge, and community construction.

At your request we can send our institution introductory profile for your perusal, or you may peruse our website at www.up.edu.ps . Should you be interested in this cooperation or have any questions in this regard, please feel free to send us an email at m.abusalim@up.edu.ps

Thank you very much, and we hope to receive your response soon.

Best Regards,

Dr. Moussa Abu Salim

Vice President for Planning & external relations
